Your Owner's Basket is ready! ❤️ Explore this week's exclusive owner-member discounts and enjoy savings made just for you. Thanks for helping our community-owned grocery thrive!

*Investment opportunities  
that support your values*

## *Support your local co-op!*

Our Community Investment Campaign (CIC '26) is a fundraising and investment effort to strengthen the co-op's financial foundation as we continue building a vibrant, community-owned grocery. As sales grow, community support through CIC '26 helps ensure the co-op has the working capital it needs to reach long-term financial stability. Our goal is to raise **\$250,000** by March 31. [Click](#) to learn about the different investment options available.

## Did You Know?

*Owners get more at the Co-op*

For a one-time **\$200 investment per household**, you become an owner of the Food Shed Co-op—joining 2,694 of your McHenry County neighbors who believe in a community-owned grocery.

Ownership comes with real perks: Weekly Beet Owner Basket deals, 10% off one full grocery trip each month, a dedicated Owners-only newsletter, and owner surveys that help shape store operations. Owners receive early or first access to *select* classes and events, along with a voice and vote at our Annual Owners Meeting, eligibility to run for the Board of Directors, volunteer opportunities, the opportunity for patronage dividends when profitable, and the option to support the co-op through an interest-bearing Owner Loan if you wish.

Best of all, the savings opportunities alone can quickly pay for the cost of ownership faster than you might expect—while helping build a grocery that truly belongs to our community.

## McHenry County College students— this one's for you!

Show your MCC student ID at checkout and **get 10% off every purchase**, including our Grab & Go items for a quick, easy lunch. Fresh, local, and budget-friendly—just a 4-minute drive from campus at 2390 Lake Shore Drive, Woodstock.

**Study hard. Eat well. Save a lot!.**

### *Calling all little explorers!*

**Mr. Carrot** has officially gone rogue—and we need your help!  One minute he is hanging out in produce, the next he can be spotted sneaking past the local milk, climbing the bulk bins, and causing a little mischief around the store.

Calling all little explorers: if you spot Mr. Carrot while shopping this week, bring him to the front register for a sweet reward.
